# Wednesday Weekly

\*Thank you for your support last Friday, with our switch to remote learning. We only close the building when it is absolutely necessary.

\*We are loving every moment of **Catholic Schools Week** and so appreciate your participation in our themed days.

\*Thank you to those parents who braved the weather to come to our **Open House**. They were treated to student tours and a presentation from Mr. Peck on the state of the school. It was also the debut of the two new school videos created for us by Big Shoulders. The videos feature our teachers and students and are incredible testaments to SCSSL. The videos are on the school's YouTube channel and will be posted to our website.

\***Grade 2** paid a special visit to the senior citizens living in Belmont Village in Oak Park. They spread love and smiles throughout the complex.

\***Home basketball games** tonight at 5:30; 6:30; and 7:30pm. Our final home game is Thursday, February 3, at 6pm.

\*Tonight's **FSA** meeting has been cancelled.

\*As the perfect introduction to Black History Month, students will be visiting the **Beyond February Boards** created by Gloria Austin, honoring Black inventors. The boards will be set up in our tutoring center on Friday; every class will have the chance to view them. Special thanks to the Glam Girls Club for bringing this exhibit to us.

\*February is **Black History Month**. We will celebrate in classrooms and as a school. Read your Wednesday Weekly for updates.

\***Re-enrollment** information for the 2026-2027 school year will go home the first week in February. Please return your letter as soon as possible.

\*February 2-6 is **School Counselor Week**.

\*The second **I-Ready Diagnostic** test closes on Thursday, February 5. We are celebrating our students' growth in Math and Reading, and every Tuesday after Mass certificates will be passed out. (Certificates are being passed out in batches, so do

not worry if your student has not yet received one.) We are so proud of our growth and will share school results with you as students complete the testing. Some results are on the back page.

\*Remember that there is **no school** on Friday, February 6, as students will be participating in professional development.

\*Maryville Academy is sponsoring their **Parent Cafe** on February 11.

\*On Friday, February 13, students may pay \$1 to be out-of-uniform. The dress code is **red/pink**, and all money will go to the American Heart Assoc.

\*Please check with the classroom teachers regarding guidelines for **Valentine's Day**.

\*St. Giles Church will host the **African-American Heritage Mass** on February 14 at 4:30pm.

\*There is **no school** on Monday, February 16, in honor of the Presidents' Day holiday.

\*Remember that **tuition payments** are due on the *15th of every month*. If you need help in any way, please reach out to the school office. We will begin exclusion notices next week.

\*The **Children's Clinic** at Madison and Humphrey has extended its walk-in hours to every Monday from 8am-12noon for sick patient visits.

\*The **Neighborhood Bridge** is a non-profit organization specifically designed to help our families with a number of different services. Please reach out to any staff member if you need help.
