

Big Shoulders Fund[®] *Plus*

Our school is a proud Big Shoulders Fund *Plus* school!

Big Shoulders Fund *Plus* builds on our existing relationship with Big Shoulders Fund, and provides increased operational support that helps us to best meet the needs of our students, their families, and the broader community. Big Shoulders Fund and its supporters made this unprecedented commitment in recognition of the exceptional value our school provides to families and the important role we play in the community.

Through our partnership with Big Shoulders Fund, we have access to a network that shares best practices, attracts and retains talented teachers and principals, and provides support and resources that allow us to serve more students and ensure our school's long-term success.
