

Parents:

I hope you all enjoyed your weekend! Thank you again for coming by school to pick up our last bit of work. We won't be using those booklets until next week so hang on to those!

If you joined the Zoom call last week...thank you! I will try to do them every Wednesday at 11:00. It's mainly a way for the kids to get to see their classmates. I can help them with schoolwork if they need but so far it's just been them talking to each other! I will email the invite.

If your child has not gone on Happy Numbers and taken the assessment, please have them do so. Also, each child needs 60 minutes of Lexia for the week. It will tell you how much time they have when you log in and begin the program. Please try to keep your child to the 60 minutes. Once again, **PLEASE, PLEASE, PLEASE do NOT help them with Lexia. I cannot emphasize that enough!!**

If you have any questions or need anything, please feel free to reach out via Class Dojo or my email elenigan@catherinelucy.org.

Stay healthy and God bless.

Mrs. Lenigan
