

Spring 2021

Hello,

We are thrilled you are considering St. Catherine – St. Lucy School! First thing we would like you to know is that we are family here at SCSL School! We take care of one another, uplift and support each other, and do our very best to help each other in every way possible.

In that spirit of support, we understand that our annual tuition may be prohibitive. We believe that if you want to send your child to SCSL School, we will find a way to make that happen! We accept Illinois Action for Children (click [HERE](#) for application information) and have access to scholarship and additional funds. To apply, please complete an application in FACTS (click [HERE](#) for the link).

Please reach out and let us help! Our phone number is 708-386-5286 or you can email me at jcourier@catherinelucy.org.

Looking forward to meeting you soon,

Jennifer Courier

Advancement Director
